

What your project will do

Approved Purposes summarise your Project as described in your Application. We will monitor your progress against the following Approved Purposes which we agreed to support:

Approved Purposes

- Develop a Delivery Phase application including required supporting documents as per the National Lottery Grants for Heritage over £250,000 guidance.
- Undertake evaluation of Development Phase activity in line with Lottery requirements.
- Consider how NLHF will be acknowledged during the Development Phase and what budgets may be required for acknowledgement during the Delivery Phase.
- Recruit a Project Manager.
- Undertake a programme of consultation with target audiences and partners to develop and refine proposals.
- Develop a full Conservation Management Plan, Business Plan, Sustainability Plan, Interpretation Plan, and Activity Plan including detail on proposals for skills and training.
- Appoint Design Team, develop proposals for physical works, and secure relevant permissions.
- Appoint a specialist Trusts and Community Fundraiser to undertake fundraising activities.
